HOME DESIGN - VIBE

Vibe

The Vibe is an elegant solution for shorter blocks. The master bedroom with ensuite and walk-in robe provides a retreat at the front of the home. The rear of the design features three more bedrooms as well as an open plan kitchen, living and dining areas, which flow through to the spacious alfresco. Also with a double garage, the Vibe offers space maximisation at its smartest.

DISCLAIMER: Photographs, artist impressions and other pictures in this brochure are for illustrative purposes only and may show fixtures, fittings or finishes which are not supplied by Rawson Homes Thrive, or which are only available in some Rawson Homes Thrive designs or when selected as inclusions above the standard inclusions for a particular design. This may include landscaping and outdoor items, floor coverings, furniture, kitchen, bathroom and light fittings and decorative items, which are shown as examples only. The starting from price is based on a standard block which is up to 350m² with up to 500mm fall across the block, 'M' class soil classification, all services within boundaries, garage setback up to 5.5m from front boundary and even cut and fill. The starting from price is applicable to homes built in the Sydney Metro region only and is subject to a geotechnical report and engineering design and excludes additional site costs, site specific BASIX/EERS requirements, Local Complying Authority or developer/estate requirements and guidelines, bushfire, flood, acoustic, unforeseen site conditions, building adjacent to sewer requirements, landscaping, internal upgrades, section 7.11 and s7.12 contributions (if applicable), and bonds. Regional house price loading applies. Rawson Homes Thrive reserves the right to review its pricing at any time, without notice. All prices are relevant at the time of publishing and may be out of date or superseded. Please speak to a Rawson Homes Thrive Sales Consultant to discuss current detailed home pricing for different designs, inclusions and regions.
